

Pictorial Packets

If you are listing our seed packets online, you are licensed to use the images of our pictorial packets. Please see the relevant Google Drive folders below.

Please do not use the images from our website, even if they include a watermark.

Some of the images from our own website are supplier images. We have a license to use these on our sites and packets, but if you are caught using our website images without the owners permission, it may result in a fine directly from the image owners. The images below are safe to use:

In the folders, you will find the full size images, PDF's and square images with a white background.
